MEMORANDUM FOR: ICS/Chief, Security

STAT FROM:

Executive Secretary, Critical Intelligence Problems Committee

SUBJECT: CIPC Security Violation--31 October 1985

*BA*

1. With regard to the attached memorandum concerning a CIPC security violation, I personally interviewed a number of CIPC staff personnel in order to ascertain how the violation occurred and determine what remedial solutions should be implemented. Subsequent to the staff interviews, I concluded that the subject violation could have been effected by any one of seven CIPC employees.

2. At the CIPC staff meeting on 4 November 1985, the entire staff was advised of the violation and the circumstance surrounding it. I instructed them to remove their respective trash containers from any proximity to their classified trash receptacles and to be especially alert in disposing of their classified waste.

3. If I can be of further assistance on this matter, please let me know.
